

Questions to the DFG and further remarks

1.) how many post docs are possible? (Kiel: 2; Bochum: **The normal procedure is to apply for 1/2 position of a coordinator and 1 postdoc for expertise that is not available at the home institution.**

are advanced early career scientists in the list of 5-10 applicants included or on top of it°

o

How strict is the number of PIs. **In our case 12 PIs would be not seen as negative**

Kiel and Bochum separately listed? ?

is a dual degree an advantage? **No**

Further remarks:

- Workshops (once in every department)
- Summer School (advisory meeting included, end of the first/beginning of the second year)

Deadline for the Thesis topics: end of June (including: 2-3 sentence description and desired co-advisor on the other side [send suggestions also to this person separately])

Deadline for the Pre-Proposal: end of August
